### **Sentinel Investments announced the appointment of Stacey Ho, Vice President and Co-Portfolio Manager of International Equities**

**Montpelier, VT – June 30, 2010** – Sentinel Investments announced today that earlier this month, Stacey Ho, CFA joined the firm as vice president and co-portfolio manager of Sentinel International Equity Fund. She will be working with Kate Schapiro, CFA, senior vice president, who has led the Fund's investment team since December 2005.

"Stacey Ho brings more than two decades of experience to an important and growing part of our business," said Christian Thwaites, president and chief executive officer of Sentinel Investments. "Under the leadership of Kate Schapiro, Sentinel International Equity Fund has grown by more than 40%, and we expect this trend to continue as we expand our capabilities in global equity markets."

"Stacey and I worked as a team with much success in the past, and I am delighted to welcome her to Sentinel," said lead manager Kate Schapiro. "Her broad investment experience and perspective on international markets will be a tremendous asset to the Sentinel team." In joining Sentinel, Stacey Ho added, "I look forward to rejoining forces with Kate and am excited about the opportunities ahead for our team."

Ms. Ho joins Sentinel from Perspective Asset Management, an investment advisory firm she founded in 2005. Prior to this role, Ms. Ho was a co-portfolio manager at Strong Capital Management in San Francisco, where she managed international equity portfolios for mutual funds, private investors and institutional clients. Earlier, she held portfolio management positions at Wells Capital Management in San Francisco and Clemente Capital, an international investment advisory firm based in New York. She began her career in 1990 as an analyst and portfolio manager with Edison International.

Stacey Ho graduated from University of California, Los Angeles with a Masters in Business Administration. She also holds a M.S. in Environmental Engineering from Stanford University and a B.S. in Civil Engineering from California State University, San Diego.
